Special diets

A vegetarian alternative will be available if pre-ordered – we will send you an email when you have purchased your ticket to find out your requirements. We cannot cater to vegan or any other specific diets due to the planning of the event. Please confirm to us if you have any allergies.

Accessibility

The route may include some downhill sections, a road without a pavement, steps and some rough ground (at times) which may not be suitable for push or wheelchairs. However, if this is so, there will be an alternative route available which excludes the steep steps/downhill and road without pavement.

Some premises are extremely old (& listed) and do have steps at their entrance – when this occurs, the business owner will arrange for your taster to be brought out to you. Please email us if you would like to arrange this in advance or if you have any questions, gingerandspicefest@gmail.com.

Times

The trail starts and ends in Market Drayton from 10am, ending at 4pm.

Young Children and babies

Due to the nature of the length of the Fodder & Tipple Trail we recommend that children aged 12 and above are best suited to this event. Unfortunately some of the terrain is not suitable for pushchair or very small children. All children must be accompanied by an adult. If you are carrying a small baby or child, they will be free of charge but food is for paying customers only.

Dogs

Dogs are welcome on this trail, but owners MUST keep their dogs on leads at all times. Some premises may not allow the dog into the building. Please check with the owners or staff on the day.

Parking

Please use the public car parks in the centre of Market Drayton where the trail starts and finishes. See parking on our website for further information. <https://www.gingerandspicefest.co.uk/festival-parking/>
